### 2022/2023 SUPPLEMENTARY ADMISSION

This is to inform the general public, especially candidates who applied for supplementary admission, that the Imo State University, Owerri has proposed the underlisted candidates for supplementary admission in the 2022/2023 academic year. Candidates that are proposed for courses other than the courses they applied for in JAMB are required to change their courses to the proposed ones by visiting JAMB website on [www.jamb.gov.ng](http://www.jamb.gov.ng) or any of the JAMB accredited CBT centres nationwide. Please note that this is a mere proposal not an admission list. Only candidates that uploaded their O'level results to JAMB and also did a change of course where applicable, will be considered for admission. This exercise ends on Friday, 17<sup>th</sup> February, 2023.

Signed:
